10 February 1971

MEMORANDUM FOR THE RECORD

SUBJECT:

STAT

1. Met with John Warner and reviewed the present state of the case with him in brief. Pending meeting with Mr. Rodino has slipped from 18 February. A time for that meeting will be scheduled by Jim Cline who will call John Warner when it has been scheduled. From here on out John and I plan to work together and to attend the various meetings together with Mr. Rodino and such others as may be indicated.

STAT

2. Jim Cline has pointed out to John that he would prefer that not be involved in the meetings.

STAT

3. Further action will have to await Jim Cline's call to John Warner scheduling the meeting with Mr. Rodino. Until that step is taken, very little can be accomplished with the Senate.
